CLSD Community Living Service Delivery Group Homes/Approved Private Service Homes
These facilities provide accommodation, supervision, personal care and individualized programming in a family like setting to those individuals with disabilities. These facilities must be licensed through the Community Living Service Delivery, a branch of the Ministry of Social Services.

A current listing for Group Homes and Private Service Homes is available on the secure Drug Plan WEB page at https://www.drugplan.health.gov.sk.ca

Personal Care Home
These facilities provide accommodation, meals and assistance or supervision with activities of daily living (i.e. personal care). These facilities must be licensed by the Community Care Branch, Ministry of Health.

A current list of the licensed personal care homes in Saskatchewan can be found at the following link:
http://www.saskatchewan.ca/residents/health/accessing-health-care-services/care-at-home-and-outside-the-hospital/personal-care-homes#selecting-a-personal-care-home

Drug Plan Policy documents for the SMAP and MACPP programs can be found at the Drug Plan secure website at https://www.drugplan.health.gov.sk.ca (click on Bulletins) or on the PAS website https://www.skpharmacists.ca/pharmacists/funded-services/provincial/professional-services

Please Note: Because Personal Care Homes with >11 beds are required (as part of their license) to have other controls in place to ensure adherence to medications (i.e. Medication Administration Records, have on staff care aids or a healthcare professional etc.) only homes with <11 beds are eligible for compliance packaging at this time.
